EXHIBITION GROUNDS

SCALE

NOTE

Contributor's Parking

In order to accommodate both the buyer and contributor we would appreciate your co-operation in parking. We must have the street behind the barns completely free of large trucks at all times. The rest of the area we would ask you to keep for a prospective buyer.

When you arrive, find a loading chute and unload your truck **COMPLETELY** before moving it. Our problems begin when a fellow leaves the chute and parks his truck next to the barn "to finish unloading". This fellow rarely remembers to remove his truck and then we have the beginning of a parking problem.

THANK YOU

See pages 4 and 5 for PURCHASER'S SALE INFORMATION and page 85 for INDEX TO CONTRIBUTORS.

PURCHASERS' SALES INFORMATION

The following excerpt from the rules and regulations governing this sale will be of special interest to those purchasing breeding stock.

1. Terms of Sale—Cash

Immediately after your purchases are completed, settlements and shipping instructions will be taken in the front office of the Auditorium. Information on freight schedules and rates, and livestock insurance will also be available.

All purchases must be settled for within one hour of the sale of the animal. If any purchaser fails to settle for his purchase as stated, the Committee reserves full power to resell the animal to the best advantage either publicly or privately, without further information and any loss arising from such resale, together with the keep and all other expenses, will be collected from the defaulter.

Immediately after each purchase is declared the risk of the animal shall be exclusively with the purchaser, and until a settlement is made in the terms of these conditions the delivery of the animal shall be suspended.

Before an animal can be removed from the building, the buyer must present to the Barn Superintendent the official receipt and release signed by the Treasurer or Association Representative.

2. Pedigrees

Ear tattoos and identification of all stock contributed to this sale have been checked and compared with the Registration Papers for your protection. The Registration Certificates will be transferred to your name on the books of the Canadian National Livestock Records at Ottawa and the transferred Registration Papers forwarded, by mail, to you.

The purchaser of an animal at an Association sale will be given twenty days after the last day of the sale within which to file with the Secretary claim for compensation by reason of any erroneous information respecting such animal that may appear in the catalogue and was not corrected by the auctioneer at the time the animal was offered for sale.

3. Mail Order Purchase

The Secretary is prepared to purchase bulls for persons unable to attend the sale personally. To do this you should send a marked cheque, for the amount you are willing to pay, made out to the Saskatchewan Cattle Breeders' Association and indicate the lot numbers you would wish a bid placed on. Averages at these sales will be found on the back cover of this catalogue.

4. Order of Sale

Animals will be sold in the order of contributor's name in the catalogue. For the day and time at which different breeds are sold, see the program in the front of this catalogue. All stock must be returned to their original stall by the seller and left there until settlement has been made. Contributors must feed and care for animals until evening of the day on which they are sold.

5. Bidding

A bull failing to bring an opening bid of \$300.00 will be withdrawn from the sale. If any dispute arises between two or more bidders, it will be settled by the animal again being put up and resold. The decision of the auctioneer shall be final in such cases.

6. Health Regulations

(a) As the Province of Saskatchewan has been declared a Restricted Area for the eradication of Bovine Tuberculosis, all cattle entering this Show and Sale from herds not dealt with under the Accredited Herd Plan, will be of Restricted Area standing.

(b) To qualify for export to U.S.A. all cattle must have passed a blood test for Brucellosis within 30 days of the date of sale. To avoid delays owners shall arrange to do this through their local Veterinarian where reasonably possible.

(c) All cattle contributed to this sale must be free of skin diseases, parasites, or other obvious abnormalities.

7. Breeding Guarantee

(a) Should a bull, under natural service conditions, in the opinion of the purchaser, be a non-breeder, the purchaser shall report the same in writing to the Secretary of the Association between two and six months from the date of sale. The purchaser shall then complete a Statutory Declaration supplied by the Association. The purchaser may be required to retain the bull for the six months and after this period, the contributor shall have the option of testing the animal for four months on his own premises. If the animal then proves to be a non-breeder, the contributor will refund 75% of the purchase price of a bull purchased for a price of up to \$1,000; 90% refund of bull's purchase price if in excess of \$1,000, or supply an animal of approximate age, quality and breeding, and the non-breeder to be returned to the contributor. A contributor will not be responsible for injury, infection, or sickness which was not apparent at the time of sale, or for improper care and feeding by the purchaser. In either case the purchaser is to be responsible for all transportation charges incurred.

(b) It is to be clearly understood that the Association is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does the Association assume any financial obligations to collect or enforce collection of any moneys between parties and any legal action that may in exceptional cases, be taken, must be between the buyer and seller themselves. The Association guarantees all pedigrees or will revoke any sale concerned. In all cases the influence of the Association will be exerted, as far as possible, to hold all parties strictly to these regulations.

8. Loading and Transportation

(a) Animals not to be shipped by rail will be delivered to the various buyers on the grounds, who will take charge of them immediately after settlement has been made.

(b) The Association will undertake to feed and load animals purchased at this auction sale for a fee of \$5.00 per head. Animals will be shipped F.O.B. Regina. When the distance is over one hundred and fifty miles, the purchaser may have to accompany the animals or pay the Association for securing a man to take the shipment.

(c) The loading and shipping of cattle after the sale will be conducted under the direction and supervision of the Association, and all cattle to be shipped by rail will be regarded as delivered to the purchaser when they have been properly loaded and billed to their destination. Purchasers will be expected to render any assistance in the loading and shipping that may be required of them and to make all necessary arrangements among themselves and with the Secretary for such attendant or attendants as may be required to accompany the cattle to their destination.

(d) Every care will be exercised by the management to prevent injury to, or loss of property, and to insure the prompt collection and delivery of animals at the proper destination, but the Association, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur during transportation.

9. Powers of Executive Committee

The Executive Committee shall have power to cancel the sale of any animal before delivery provided such course in its opinion is fair and just, both to buyer and seller.

The Treasurer will have power to give receipt in full for all payments on stock and will remit the amount realized, less the proper charges for each animal, to the contributor within three weeks after the date of the sale.

Purchase of Breeding Stock for Export

Bulls bought for export to the United States will be cleared and transported free of charge to Williston, North Dakota, or any equivalent distance into the United States.

Complete information regarding the purchase and export of breeding stock to the United States is available if required. Cattle are exported from this sale every year to the United States.

Arrangements have been made for a representative from Canadian National Live-stock Records to attend the sale and transfer the registration certificates to the names of American Buyers. Veterinarians from the Health of Animals Division will also be in attendance to take immediate tests for T.B. and Bang's Disease, if necessary. These facilities are provided to encourage American buyers and cause the least possible delay in shipment.

United States funds will be accepted at the current rate of exchange for the purchase of stock.

HERE'S HOW THEY SOLD LAST YEAR!

Price Range	Herefords	Aberdeen Angus	Shorthorns	Galloway	Totals

"Snako Junior" is the top performing bull of our 1971 calf crop. On government test he had an adj. 200 day weight of 681 lbs., and a 365 adj. day weight of 1106 lbs. "Snako Junior" possesses a tremendous amount of clean muscling, strength and length of body. The combination of his strong pedigree, performance record, and size for age surely make him a herd-sire prospect.

— ALL ANIMALS MUST BE SETTLED FOR WITHIN ONE HOUR AFTER THE SALE —

One dollar is a small investment — but it will bring good dividends if it is used to buy a membership in the Saskatchewan Cattle Breeders' Association. Your membership will insure that you will receive sale notices, entry forms, catalogues, the annual report and the live stock calendar. You will be able to attend all meetings and elections and in that way take a hand in the formation of livestock policies.

Join now by sending \$1.00 to Larry Schneider, Secretary-Treasurer, P.O. Box 167, Regina, or, if you are attending the sale, memberships will be taken at the Livestock office.

NOTES

GALLOWAY

All Bulls bred by contributor unless stated otherwise.

SHOW

SUNDAY, March 25 - 6:00 p.m.

SALE

MONDAY, March 26

(following completion of Angus)

As the Province of Saskatchewan has been declared a Restricted Area for the Eradication of Bovine Tuberculosis, all cattle entering the Show and Sale from herds not dealt with under the Accredited Herd Plan will be of Restricted Area Standing.

SHORTHORNS

**are part of the heritage of over
30 breeds in the world.**

At one time the SHORTHORN bull enjoyed top place among all the beef breeds in this country. He was the great improver when used on the mongrel and native cattle of that day.

Once more many cattle have several crosses of breeds in them.

Again a SHORTHORN is the bull that will sire females that will grow to be mother cows that will produce calves oftener and easier and with additional milk, and sire crossbred SHORTHORN steers that will grow and gain efficiently on a high roughage ration producing top grading carcasses that will be heavier and without an excess fat cover.

Visit our breeders and inspect the bulls in this sale. Note the longer, heavier and trimmer bulls than ever before. Bulls for a purebred herd and for crossing on females of any breed.

 245 P BONNYVIEW APACHE Mar. 28/71
 OFZ 79C 1t. ear; Sire of Sire: T P S Coronet Leader 4th
 OFZ 79C 1t. ear; Sire of Sire: Every calf his dam has produced since she came to Bonnyview has had our highest yearling index of all calves and sires. Her first calf was Grand Champion at the 1970 Regina Breed Promotion Sale where she sold to Zepick Bros., Kipling, and is now in the herd of Saragay Farms, Montreal, Quebec. This cow has never had a horned calf. This her first bull had the top weaning index of 128 and the top yearling index of 114 over 48 calves in our herd.

SHORT THORNS

Lot	Name	Born	Sire	Dam
PHILPOTT, A. E., CENTRAL BUTTE, AND BONNVUE FARM LTD., CRAVEN - Continued				
246	P BONNVUE ROAN LEADER OFZ 95C rt. ear; Sire of Sire: Coronet Max Leader This bull is bred to gain all the way. His sire "Leader 21st" is known in purebred and commercial circles for topping all Shorthorn sires on nearly every type of performance evaluation ever used. His dam from the George Cooper herd is a full-sister to last year's Reserve Senior Champion at Regina and is a direct descendant of Nupar Cheerio one of the greatest breeding bulls at Nupar Stock Farm. On test this bull was tied for top rate of gain index with two other bulls at 118 and had third top yearling index at 112. His pedigree is free for registration in the U.S.A. This is a good growing pair of bulls. 1C is from a good producing cow from HDD Domestic Fairfax 12U a 2200 lb. sire. His rate of gain since birth is approximately 2.7 lbs. per day. The sire of this bull also sired John Husband's Domestic Victor 42 bull, an animal that has really done well for Mr. Husband this past 2 years. We liked this young bull well enough to use him on six of our best cows this past summer.

These are among the best bulls we have ever taken to Regina, being Britisher down both sides of their pedigree. Their extended pedigree, which will be available at the stalls, shows them directly related to Britisher Mischief ASR 64P, a son of Regal Britisher 1B, and out of the same cow as 38J.

— ALL ANIMALS MUST BE SETTLED FOR WITHIN ONE HOUR AFTER THE SALE —

One dollar is a small investment — but it will bring good dividends if it is used to buy a membership in the Saskatchewan Cattle Breeders' Association. Your membership will insure that you will receive sale notices, entry forms, catalogues, the annual report and the live stock calendar. You will be able to attend all meetings and elections and in that way take a hand in the formation of livestock policies.

Join now by sending \$1.00 to Larry Schneider, Secretary-Treasurer, P.O. Box 167, Regina, or, if you are attending the sale, memberships will be taken at the Livestock office.

Canadian Western Agribition Association

November 26 to December 1, 1973

**Western
Canada's
Most
Natural
Show
Market**

1972 EXHIBITORS

- Entered more than 3,000 head livestock
- Received over \$60,000 prize money
- Sold livestock for over \$1,000,000 at public auction
- Displayed full line of farm mechanization equipment in MEXabition show
- Received \$10,000 in rodeo prizes
- Canadian champion ladies' barrel racing
- Championship cutting horse classes
- Had an audience of over 100,000 people

PLAN TO PARTICIPATE IN 1973

The Saskatchewan Livestock Associations

*"Working for the Improvement of the
Livestock Industry"*

There are many people engaged in the various phases of this industry who are not members. You may be one of these. We suggest that in order to do your part to assist, you should look over this list of Associations and take out membership in those in which you are interested.

Sask. Cattle Breeders' Ass'n

Pres. Barry Andrew, Regina
Vice-Pres. Gordon Hollinger, Lemberg

Sask. Horse Breeders' Ass'n

Pres. C. Smith, Burnham
Vice-Pres. G. N. Robbins, Laura

Sask. Swine Breeders' Ass'n

Pres. Don MacKay, Aberdeen
Vice-Pres. Ward Mortenson, Govan

Sask. Sheep Breeders' Ass'n

Pres. W. E. Dennis, Parkman
Vice-Pres. Del. Hauptstein, Weyburn

The Associations Have Two Major Objectives:

1. The development of the phase of the livestock industry which they represent. This involves the distribution of educational material, assistance to Boys' and Girls' Clubs, Fairs, Field Days and providing various services to individual breeders.
2. Conducting Shows and Sales. In this way breeding stock is distributed and breeders are provided with a medium for sale of their stock.

Membership in these Associations will mean that your name will be on all mailing lists for entry forms, catalogues, annual reports, notices of meetings, livestock calendar, and circulars. Membership fee for each Association is \$1.00 per year. (Horse Breeders \$2.00.)

Send this form and appropriate remittance to:

CLIFF SHIRRIFF, Sec.-Treas.
Saskatchewan Livestock Association
Box 167, Regina, Sask.
